

TargetX Student Stages

Student Stage	Definition	Flow Type
Prospective	A person has filled out an inquiry form or an event form and does not have a previous contact record or application record.	Record-Triggere d
Applicant	The person has completed an Apply Texas application that has been processed and fully accepted in Banner. They do not have an academic profile for the last 3 semesters or a future academic profile.	Record-Triggere d
Not Interested	A student that has submitted an application but decided they are no longer interested in attending the College. Their application decision in Banner shows "Student Withdrawal".	Record-Triggere d
Admitted	A student that has satisfied all the following checklist items: 1. TSI proof/exemption in all areas 2. Submitted meningitis documentation, if applicable 3. Completed NSO, if applicable Has an active MF hold with an end date of 12/31/2099.	Record-Triggere d
Eligible to Register- New	A student that has satisfied all the following checklist items: 1. TSI proof/exemption in all areas 2. Submitted meningitis documentation, if applicable 3. Completed NSO, if applicable Has an inactive MF hold with an end date of today or in the past.	Record-Triggere d

Register Pending	A student has a current or future academic profile which means they have registered for classes, but there is no payment for the term in which course registration exists. <i>*A student could have a previous stage of graduate/alumni, but if re-enrolled and have a current or future academic profile with no payment, they will revert to this stage.</i>	Record-Triggere d
Eligible to Register-Continuing	If a student has been previously enrolled but is not enrolled in a current or future term. <i>*A student can remain in this stage for up to 3 terms.</i>	Date-Based
Enrolled	A student has registered for classes, and payment (paid in full, payment plan, or authorized aid) has been made for that term.	Record-Triggere d
Graduate/Alumni	A student that has been awarded a credential.	Record-Triggere d
Stop-Out	A student that has course history with us but hasn't enrolled in the last 3 terms.	Date-Based
Recruit Backs	A student was in the "Eligible to Register-New" stage but never progressed past that stage.	Date-Based

Date-Based Flow:

- 4 weeks prior to the end of any Fall/Spring term.
- 5 weeks prior to the end of any Summer term.
